

Susan Mellers

I wholeheartedly endorse Steve Cohn for Director of the Moraga-Orinda Fire District (MOFD). I have known Steve for more than 40 years, and our families have shared a wonderful friendship as our children grew up together. Over those many years, I have seen firsthand what a caring, thoughtful, and generous person Steve is.

Steve truly cares about our community and the families who live here. He brings strong financial knowledge, good judgment, and a deep understanding of local concerns, especially fire and public safety and our aging infrastructure. His many years of volunteering and service reflect his genuine commitment to making our community a better and safer place.

I am proud to support Steve and confident that he would be an outstanding asset to the MOFD.
