

Tom McCormick
Former Mayor of Orinda

I have known Steve Cohn for at least 16 years. Steve is committed to our community; he is a knowledgeable member of our community and energetic about improving our community. I fully endorse Steve for a position on the MOFD Board of Directors.

In 2010, I was part of the team from Orinda that met with our partners in Moraga and MOFD to discuss service provided by the district. Steve provided me with great insight back on facts surrounding MOFD, and since has kept me up to date. I know that Steve has kept current in his understanding of MOFD's service to the residents of Orinda and Moraga and of the district's finances. We would be well served by Steve as an addition to the MOFD Board.
